

LonMark **Sessions 2007**

LONMARK®
Sessions

Cómo empezar....

Recursos Disponibles

- Página Web LMI www.lonmark.org

The screenshot shows the LonMark International website homepage. At the top left is the LonMark International logo. The main header reads "LONMARK: Your Open Systems Resource" with navigation links for "Contact Us", "Site Map", and "Member Login". Below the header is a secondary navigation bar with links for "Connection", "Technical Resources", "Certifications", "News & Events", "Membership", "About Us", and "Member Area".

The main content area features a large image of a blue sign that says "OPEN". To the right of the sign are three sections: "Why Open?" (Don't be fooled by some claims about "open"), "What is LON?" (The foundation for open, interoperable systems), and "Who is LONMARK?" (Education Programs, Certifications, Device Interoperability, Member Benefits & more).

On the left side, there are three sections: "Join LonMark" (Interested in Joining? Membership in LonMark International is open to any company, organization or individual committed to the development, manufacture, and use of interoperable LonWorks® products and networks. [more](#)), "Affiliate Organizations" (with a world map and a dropdown menu for "Select a Region"), and "New Certified Products" (featuring an image of an ABB Oy device and listing "RLON-01 and ACS550").

At the bottom, there are two sections: "Latest News" (with links for "LonMark Announces Sessions 2007", "Echelon Technology Chosen as a European Standard for Household Appliance Manufacturers", and "Distech Controls announces new products, new design") and "Upcoming Industry Event" (featuring the "LONMARK® Sessions 2007" logo and text: "Free Global Educational Seminar Tour & Professional Certification Testing Program Visiting 50+ cities throughout North America, Europe & Asia in 2007").

On the right side, there is a "Member Focus" section featuring the Hubbell Building Automation, Inc. logo and a testimonial: "LonMark has provided my company with a vehicle to generate both awareness and credibility to our customers as well as to receive knowledge and understanding about the marketplace." Below the testimonial is the name "Tracy Markie, President, Engenuity Systems, Inc." and a link for "More Member Testimonials".

Recursos Disponibles

- Programa de Certificación Profesional
http://www.lonmark.org/certifications/professional_certification/faq.shtm
- Lista de profesionales certificados (en breve)
- Servicios Profesionales LonMark (en breve)
- ¿Necesita un integrador de sistemas experto? Podemos ayudar. http://www.lonmark.org/connection/why_open/master_integrator.shtml

Recursos Técnicos LonMark

- ▶ Soporte para desarrollo de producto
http://www.lonmark.org/technical_resources/guidelines/developer.shtml
